Dear Harold + Lillian,

I've just received the books in good condition, and thank you for your smooth and efficient handling of my order. I can't wait to start reading them.

By the way, if you are writing any further books on JFK's terrible assassination I would most certainly like to order them. I would be most grateful if you could keep my name + address on file and drop me a line with details as and when a new book comes out.

I may well write or even visit the 'Last Hurrah' in Williamsport to check out what they have.

In the meantime, I wish you and your wife all the very best, and keep up the good work in letting the public know the full details of the crime of the century!

Thanks again and best wishes.

Raymond
